Advertise in the biggest trade journal for the construction sector!

Byggvärlden is a modern trade journal in tabloid format. With a TS-controlled print run of 21,900*, it is the largest construction journal in Sweden for decision makers.

In 2011, Byggvärlden was distributed through a working relationship with the Sverige Bygger organisation to around 5,000 consultants and architects who annually order goods and services worth up to SEK 200 billion for construction projects. As a result of this addition to our readership, Byggvärlden now covers decision makers within the construction sector as a whole to an even greater extent.

Byggvärlden is published monthly (18 issues a year) and issues a newsletter – **Byggvärlden direkt** – twice a week..

* TS-audited print run, 21 900 (2012).
